**Easter Services**

On **Good Friday** April 19<sup>th</sup> we have a short All Age service at 10.00am. It will finish in time for people to be opposite St Cuthbert's RC church for the Good Friday walk of witness at 11.00am. We hope we will be able to gather for a Churches Together service in the marketplace (depends on the council's work) at 11.30am.

We will have a meditative one hour service in our church at 2.00pm.

On **Easter Sunday** April 21<sup>st</sup> at 10.00am, half the music will be led by organ and robed choir and half by a music group. We will use the screen.

On Easter Sunday at the services people can add a cut flower to the **flowering cross**.

**Easter Garden**

It is an old tradition, particularly in rural churches. We plan to create a simple model garden on the paving immediately outside church for us all to enjoy on Easter Sunday.

People of all ages will be welcome at **11.00 am** on Easter Eve/Holy Saturday – **April 20<sup>th</sup>** for about an hour to put the garden together. Susan White and Christine Tully will organise it. Come along to the Parish Centre.
